FALL 1904 ORDERS are due on Wednesday, 2 October 1974. All deadlines will be on Wednesday as a general rule. That way I can type BESEROVIA on Wednesday night and run it off at work on Thursday. As it now stands, I have to type it on Thursday, run it off Friday noon, and hope nothing comes in the mail that afternoon.

Stand-by players: My apologies. I forgot that you had to get this, too, in order to keep up. You will, from now on.

Well, we're catching up. The rest of 1903 is in EREHWON 30, which is already on stencil and will be run off within a week. This season goes in #81, which is already half-typed.

Everybody will be pleased to know that I got all the press into #80.

I guess that's it.
